

**CIP Code Values (application question #23):** CIP Codes can be found in the 2000 to 2010 CIP Code Cross walk located: <http://nces.ed.gov/ipeds/cipcode/crosswalk.aspx?y=55> .

**Valid OCCURS Extension Codes/7<sup>th</sup> & 8<sup>th</sup> digit (application question #24):** See the table below.

**Valid 1-digit college extension (application question #25):** This is a college determined extension used to distinguish approved programs which share a common CIP and OCCURS (7<sup>th</sup> and 8<sup>th</sup> Digit) extension code. If you do not have two programs with the same first 8 digits, then simply put an \* in this field. If you have two or more programs with the same first 8 digits, then number the programs sequentially. You will be able to determine your own code for this final field, but it must be consistently reported in both submitted files.
