MEMORANDUM

To: Public Posting

From: Kurt Tackman, Deputy Director, Higher Education Coordinating Commission, Office of Workforce Investments

Effective Date: Program Year 2018

Subject: Review and Revision of the Certification Process and Timelines for Local Workforce Development Boards; Extension of Existing Certifications.

The Office of Workforce Investments continues to work toward better alignment of our policies with local workforce development board (WDB) processes and protocols, and we are adjusting our local WDB certification processes. The timeline for certification will be at the beginning of the Program Year, and we have initiated modifications to the existing Workforce Talent and Development Board policy on Local Board Membership Criteria.

Existing local WDB certifications issued by the State of Oregon will remain in effect until the Office of Workforce Investments issues new certifications.

This memorandum does not preclude the Governor's authority to decertify a local WDB, in accordance with the Workforce Innovation and Opportunity Act (WIOA), Section 107(c)(3).
